CLIMATE
Klimawandel ist ein ernstes Problem
das die Welt vor sich hat. Wir müssen
etwas tun, um die Erde zu retten.
Das ist unsere Aufgabe.

PROTECTION
Schutz und Erhaltung
von Natur und Umwelt.

These kids are enjoying fresh water brought to them by a solar-powered pump.

Solar energy is bringing reliable electricity to an entire village in India, which the central grid-based system had failed to provide for the last 30 years. And that's just amazing.
